**INSTRUCTIONS**

The Community Engagement Award is by application only. To be eligible for this award, schools must use their musical theatre production to creatively and effectively engage their neighborhood or community. This can happen in a variety of ways; for example, by involving community members in the set/costume construction, by performing voluntarily in senior citizen homes, by hosting pre- or post-show contextual discussions, etc. Any example of positive change resulting directly from a school's musical theatre production would be relevant for this award.

**Please attach a 1-2 page summary of your community engagement program to this application.
