INSTRUCTIONS

The Community Engagement Award is by application only. To be eligible for this award, schools must demonstrate how they creatively and effectively integrated their musical theater production within their community. This can happen in a variety of ways: for example, by performing voluntarily in senior homes or elementary schools, by hosting pre- or post-show contextual discussions, by involving community members in their production etc. Any example of positive change in the community resulting directly from a school's musical theatre production would be relevant for this award.

**Please attach a 1-2 page summary of your community engagement program to this application.
Community Engagement Award applications must be received by Overture Center by April 23, 2012.**
